JUSTICE AND CHARITY MINISTRY

Sheila Herlihy: sheilah@incarnationparish.org

FOOD MINISTRY: We received an incredible boon for our parish Food Ministry a few weeks ago. Trader Joe's has offered to donate their leftover produce and prepared foods twice a month. We are looking for parishioners to assist in picking up this food from 9-11am on the first and third Fridays of every month. Please contact Kathleen Ashe (kma@hscmail.mcc.virginia.edu) if you are interested. As always, we welcome new donations, and also those who feel called to give of their time in this important ministry. Through your generosity, we are able to feed over 80 families!

MARDI GRAS is coming up in a month, and to celebrate, our Haiti committee is going to have a **bake sale**! Right now, we're looking for people to help us make goodies to sell. It's traditional to get rid of all the sugar in your house in preparation for Lent, and this is a great place to donate it. If you are interested, please contact Tom Houlihan (bic893morris@yahoo.com).

PAX CHRISTI: The Charlottesville chapter of Pax Christi will meet in room 22 at 7:00pm on February 13. New members are always welcome! All are welcome! We will talk about how we can live the Peace of Christ and impact the broader community. We're hoping to plan a Lenten reflection. Contact Anne Deane (anndeane59@gmail.com) with any questions.

EXPERIENTIAL THEATRE: Theater as an art form can be a powerful way to talk about experience and injustice. There is a group forming to work in conjunction with Sin Barreras. We would like to have people who are interested in theater and acting, but no experience is necessary. This is not a scripted play, but rather a way of interacting with realities and responding to the audience. Folks who are interested should contact Mecca Burns at contactpresence@comcast.net.

TAX HELP: If you are an accountant and want to share your skills with people in need, there is an opportunity coming up. Sin Barreras/Without Barriers is a community organization that has offered tax help to recent immigrants for the past several years, but this year they are without an accountant. We are hopeful that we can continue to fill this need in our community. For more info, please contact sinbarrerascville@gmail.com.

RECYCLING: You may have noticed that we have a new recycling dumpster in the parking lot. Although it is smaller, it's being emptied more frequently. It is still single stream, so everything from cardboard to plastic to glass can go in there. We appreciate our parish's green efforts as we care for God's creation!

HABITAT FOR HUMANITY: Habitat for Humanity is a great opportunity for our parishioners to participate in constructing safe and decent homes for families in need. Please consider signing up for our build days on February 15 and March 22 and April 26. Sign-up sheets are in the Narthex, or you can contact Martha and John Horsfall (horsfalljm@comcast.net) with questions. We will need individuals to help with construction, lunches, and photography. Help us keep building God's kingdom!

GREATER GOOD TECHNOLOGY is a ministry, started by parishioners Carl Stacy & John Clem that offers on-line training to the homeless in Charlottesville to help them find employment. Our current crowd-source fundraising campaign is with Indiegogo for $10,000 to sustain and expand this program. Your prayers and support are greatly appreciated. Details at catholicws.com
