ONE MAN'S
OLD SHIRT IS
ANOTHER MAN'S
NEW START.

CLOTHING DONATIONS: We are blessed in our parish to have generous donors towards many needs. However, there are some needs that we are not equipped to deal with. We don't have the facility to accept donated clothing, so please send those donations to other thrift stores (Hinton Avenue Methodist Church has a free clothing closet, and Salvation Army provides clothing vouchers). Thank you as always for your generosity!

LET'S CHAT ABOUT CHRISTIAN FORMATION!

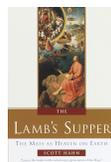

Are you a parent with questions or ideas? Are you discerning if you should be a teacher or lead a Bible study? Do you feel led to serve but have limited availability? Please join Maria and a team of ministry leaders for dessert on Tuesday, July 17, at 7:00pm in the Conference Room. An rsvp is preferred (although not mandatory) by Monday, July 16. Please e-mail: maria@incarnationparish.org.

SHARE THE JOURNEY: One way to share the journey and the immigrant experience is to participate in Mass and celebrations right here in our parish. This Monday, July 16 at 7:30pm, our Spanish-speaking community will be celebrating Mass for Our Lady of Mt. Carmel. She is patron of Bolivia and Chile, and highly venerated in several Caribbean countries. Join us for Mass, and learn about the culture and devotion to Our Lady!

ADULT SUMMER READING: Join others in the parish in reading *The Lamb's Supper*. This book by Scott Hahn "...reveals a long-lost secret of the Church: the early Christians' key to understanding the mysteries of the Mass was the New Testament's Book of Revelation." It is available at your local Christian bookstore or online. There will be an optional discussion session in September between the morning Masses.

October will mark the canonization of one of the great popes of modern times, Paul VI. At our next **TNT (Theater 'N' Theology)** on Friday, July 20, beginning promptly at 7:00pm, all are welcome to come to our **Incarnation Movie Theater** (the "Stone Chapel") with comfortable seating and large projection, to view Part I of *Paul VI: The Pope in the Tempest*, an Italian film from 2008. From 1963 to 1978 the papacy of Pope Paul VI helped shape how the Catholic Church would confront the complexities of the modern world. This beautifully produced film, covering 50 years of history that changed the Catholic Church and the world, is a story that draws its lessons and emotional resonance from history itself, dramatically mixing stunning reconstructions and real, historical film footage. Facilitated by Fr. Gregory. All are welcome. Come watch a great movie with your brothers and sisters in Christ!

VACATION BIBLE STORIES (VBS):

Excitement is growing for VBS! Join in the fun July 23 - 27 from 9:00am to noon! It is designed for rising Kindergarten through 5th grade students to learn more about the Bible. We need the following recycled items: soup or vegetable cans, clear plastic drink bottle with lids, and Starbucks glass bottles. We also need middle and high school student helpers. Contact Maria (maria@incarnationparish.org) with questions or to participate! Registration forms are available on the parish website, on the Facebook page, or on the Christian Formation bulletin board.

"Cybercrime is hitting dioceses nationwide. If/when you receive an email that shows the parish's pastor or a parish priest as the sender requesting you to purchase a gift card, rest assured it is a scam. Parishioners can and should contact the parish to verify the legitimacy of any suspicious request received through email. All cybercrime should be reported to the FBI at <https://www.ic3.gov/default.aspx>. It is up to the victim of cyber-crimes to file complaints

I presume to ask that each week a sufficient portion of personal... time be dedicated to this task (of preparation for preaching), even if less time has to be given to other important activities. Trusting the Holy Spirit who is at work during the homily is not merely passive but active and creative.

--Pope Francis, *The Joy of the Gospel* #145

JUSTICE AND CHARITY MINISTRY

sheilah@incarnationparish.org

AN INVITATION: For our food ministry to function, we need people in a variety of roles, especially **helping with distribution of food on Sunday afternoons.** If you are interested in this or any aspect of the ministry, contact Sheila. If you'd rather donate material goods, we accept all food items in the basket in the Narthex, (along with grocery bags, paper and plastic). The item of the week is an easy way to add something small to your grocery list, and donate something that is very needed by our ministry. **This week, rather than a specific thing, we're asking you to donate a non-perishable item that you appreciate having in your pantry.**

VICPP: The **Virginia Interfaith Center for Public Policy (VICPP)** is Virginia's oldest faith-based advocacy group, with chapters all over the

commonwealth to advocate for faith initiatives at the state level. They engage and educate people of faith and the general public regarding critical social issues, the legislative process, and the call to advocacy. Here in Charlottesville, several people in the faith community are working to start a local chapter. If you are interested, in finding out more, please email Sheila in the Parish Office, or Kim Crater at kimcrater@ths85.net.

GREEN TEAM EnvironMINUTE: When you buy products, you can also encourage care for God's creation. Buy recycled paper products (from post-it notes, to greeting cards, to paper plates) to use your purchasing power to protect creation.

JUSTICE CORNER: At Incarnation, we focus on both Justice and Charity, what the US Bishops call the "Two Feet of Love in Action". Charity, addresses immediate needs, and justice addresses systemic issues. Charity without justice can enable broken systems that oppress people, and justice without charity can lead to people falling through the cracks in the here and now. We need to make sure we do both!

HABITAT FOR HUMANITY BUILD DAYS: If you want to get involved with a build day (no construction experience necessary) the parish is providing a build crew on July 7, and September 29. Please check out sign up sheets in the Narthex for details and to put your name down! Also, if you want to find out about more opportunities to get involved with Habitat, such as their Kid Care team, reach out to Garret Trent (gtrent@cvillehabitat.org)

THE ENVIRONMENT

CREATION: What does the Bible Say?

Our faith is based on scripture and tradition, and the very first verse of the Bible is a reminder that God is the lord of all creation. Humans are called to be good stewards, caring for their environment rather than exploiting it. Many of the figures in the Old Testament talk about seeing God in the wonders of creation, especially in the psalms. Even in the Gospel, Jesus uses metaphors of created things to reveal truths about his Father's kingdom, reminding us that the environment can be a fruitful place for spiritual reflection, and one that should be protected.

- "The Lord God then took the man and settled him in the garden of Eden, to cultivate and care for it." (Gen 2:15)
- "Ask the beasts to teach you, the birds of the air to tell you; or speak to the earth to instruct you, and the fish of the sea to inform you. Which of all these does not know that the hand of God has done this? In his hand is the soul of every living thing, and the life breath of all mortal flesh." (Job 12: 7-10)
- "Praise Him, sun and moon; praise him, all shining stars. Praise him, highest heavens, you waters above the heavens. Let them all praise the Lord's name; for he commanded and they were created." (Ps 148: 3-5)

CREATION: What does the Magisterium Say?

Many people are familiar with the teaching and example of St. Francis of Assisi, patron saint of ecology and author of the Canticum of the Creatures. The church as a whole has endorsed this spirituality of recognizing God's revelation in creation, especially the two most recent popes. Pope Benedict XVI was known as "The Green Pope," and Pope Francis' encyclical "Laudato Si'" has made the church's teaching more broadly accessible.

- "The dominion granted by the Creator over the mineral, vegetable, and animal resources of the universe cannot be separated from respect for moral obligations, including those toward generations to come (Catechism of the Catholic Church, 2456)
- "Preservation of the environment, promotion of sustainable development and particular attention to climate change are matters of grave concern for the entire human family." (Pope Emeritus Benedict XVI)
- Our insistence that each human being is an image of God should not make us overlook the fact that each creature has its own purpose. None is superfluous. The entire material universe speaks of God's love, his boundless affection for us. Soil, water, mountains: everything is, as it were, a caress of God. (Laudato Si', 84)

CREATION: What's going on now?

Global Warming: In chapter three of Laudato Si', Pope Francis emphasizes the scientific truth of climate change as illustrated by the consensus of the world's experts. While our planet has gone through periods of warming and cooling before, this trend is at a much faster pace, and caused by the pollution of humans.

Paris Climate Agreement: At the end of 2015, representatives from almost every nation in the world gathered in Paris and ratified an agreement to work toward keeping climate change to less than 2 degrees Celsius (for context, 2 degrees colder was the last ice age). Pope Francis and the Church support this agreement. Our government pulled out of our commitment to it in 2017, and the bishops issued a statement registering their disagreement with that action.

Atlantic Coast Pipeline: Dominion Energy is proposing a natural gas pipeline that would go through much of Virginia, and is currently on hold. The planned route would certainly affect and potentially pollute water supplies, as well as cutting through some "biodiversity hotspots" and the habitat of several endangered species.

CREATION: What can we do?

There are many places to go and resources to check out. The Global Catholic Climate Movement is a wonderful resource, as is the Catholic Climate Covenant. At the web site for each of these organizations, you can see ways to pledge to be a better steward of God's creation, or you can participate in writing letters to ask for change at the governmental level. On the day-to-day level of your own life, evaluate how your actions affect the world around us, and how you can better honor the creator of that world. Check out the "Environ-minute" in the bulletin for some hints, or look online. Cutting down on transportation, using renewable energies, and recycling goods, are all excellent first steps to take. Together, and with God's grace, we can make a difference and take care of our environment.

Love INC (**Love In the Name of Christ**) is a resource in our community that supports families in need, especially with a loving presence and in-kind (rather than financial) aid. Currently, they are looking for an individual (or team) who can help pick up furniture that is donated. The organization will send out an itinerary with pick-ups at donor homes and drop-offs at homes of our clients. It is not a fool-proof system, however, so the person needs to be flexible and not easily rattled. Love INC would like for the delivery team to minister to both donor and recipient when it feels comfortable and appropriate to do so. Sometimes both recipient and donor have been through a hard time. Please contact Love INC directly at office@loveincville.org or 434-977-7777.
