Vision Statement

The Church of the Incarnation, a Roman Catholic Community in Charlottesville, Virginia, will be a parish in which each member is encouraged and enabled to discern God's will and follow a path of personal spiritual growth and transformation in Jesus Christ. This path will include ongoing faith formation that includes prayer and study.

As members of the Church of the Incarnation...

- We will be a parish in which Christ-centered relationships are encouraged among its members through the liturgy, education, social events and all other ministries of the parish
- We will be a parish community that is inclusive, welcoming, diverse and hospitable
- We will be an evangelizing parish in which members witness and spread the Gospel in keeping with their individual gifts
- We will be a parish that provides spiritual, emotional and financial support for those in need within the parish and in the broader community
- We will be a parish that is motivated by God's love to transform our homes, our communities and the world around us into places of peace and justice
