Christ Community Scholars

We are excited to support your child(ren) & family in sacrament preparation this year! Welcome!

Sacramental catechesis “is intended for all members of the Christian community, takes place within the community, and involves the whole community of faith.” Although the child will learn about the Eucharist (and Reconciliation) in the course of his or her religious education at the Catholic school, sacramental preparation for First Holy Communion should take place in the parish where the family regularly attends Mass.
